20 December 2017

Dear Stakeholder,

A34 Hinksey Hill Interchange – Street Lighting Maintenance

I am writing to advise that Kier Highways, on behalf of Highways England, will be replacing the street lighting cables at the A423 Hinksey Hill Interchange, to enable the lighting asset to be upgraded to LED luminaires, improving the lighting along the A34 slip roads, reducing energy and CO2 emissions.

Work is currently scheduled to start on Monday 8 January 2018 and is expected to be completed within five weeks.

In order to carry out the work as efficiently and safely as possible, we'll need to put in place the following temporary traffic restrictions overnight, between 9pm and 5am (Monday to Friday only):

Monday 8 January for three nights	Overnight closure of Hinksey Hill between the entrance for Oxford Architects LLP and the A34 roundabout
Wednesday 10 January for seven nights	Overnight closure of the A34 Hinksey Hill northbound entry slip road
Friday 19 January for five nights	Overnight closure of the A34 Hinksey Hill northbound exit slip road
Friday 26 January for five nights	Overnight closure of the A34 Hinksey Hill southbound entry slip road
Thursday 1 February for six nights	Overnight closure of the A34 southbound exit slip road

During closures of the slip roads, clearly signed diversions will be in place using the adjacent junctions (A420 Botley Interchange and the A4183 Abingdon North junction).

During closures of Hinksey Hill, a clearly signed diversion will be in place via Oxford Road, the A4183 Abingdon North junction and the A34 (see map overleaf).

Please be aware that these works have been carefully programmed but are subject to change due to weather conditions or unforeseen circumstances – **please check the yellow signs placed in advance at the junction for confirmation of the closures dates/timings.**

We would like to apologise in advance for any inconvenience or disruption during our work, and will make every effort to keep noise levels to a minimum. If you have any questions, or if you'd like you know about our work please contact us on 0300 123 5000 or email info@highwaysengland.co.uk

Yours faithfully

Kathryn Blofield
Communications Coordinator
