Dear Customer

A34 Northbound Emergency Surfacing between Hinksey Hill Interchange and Pear Tree Roundabout

We'll shortly be carrying out emergency resurfacing works to the A34 northbound carriageway between Hinksey Hill Interchange to Pear Tree Roundabout.

Due to the nature of the works and curing time for material and the safety of our workforce and customers, we will need to close the A34 northbound carriageway between Hinksey Hill Interchange and Pear Tree Roundabout from **5am Saturday 13 March 2021 to 5am Monday 15 March 2021**.

During the closure, we'll put a diversion in place via, A423, A412 and A40 to Pear Tree Roundabout to rejoin the A34.

Access for Emergency Services will be maintained through the closure, there may be a short wait whilst the work area is cleared.

Abnormal Loads: Any abnormal loads will have to enter the closure via the works access and be escorted through when safe to do so.

Please note: These works are subject to change due to weather conditions or unforeseen circumstances.
