

Kennington Parish Council

Community Grant Policy

Kennington Parish Council has the following two stage process for considering all requests for grants.

1. All requests for grant aid will be discussed initially to decide whether or not to offer a grant.
2. Once it has been decided to offer a grant then the following guidelines will be followed in deciding the level of grant aid. Applicants must clearly show how any assistance given will benefit the people living in the parish or will benefit the environment of Kennington.
 - a) National organisations/charities, if approved, would receive a token grant of up to £25. Copies of accounts would not be necessary.
 - b) Preference would be given to local groups for special projects and to encourage new groups to start up.
 - c) There should be evidence that district/county based groups supply a local need.
 - d) All organisations, if they are local or district/county based groups, should provide copies of their latest accounts.

Conditions

- Only one grant per organisation will be given by the Council in any financial year.
