B	OALC – Please would you ask your councillors if they would be interested in joining our Executive Committee. If they are, we can supply a nomination form, as they have to be formally nominated by their own council. We are happy to talk to them to explain more about the role, just call us. <u>We have a number of vacancies on our Executive Committee.</u> These are casual vacancies which have arisen towards the end of the four year term of office (2019-2023). We are seeking three councillors one from a town or parish council in West Oxfordshire, one from a town or parish council in Cherwell and one from one of the four parish councils in Oxford City. The Executive Committee meets 4 times per year, remotely at present, on a Monday afternoon. Representatives are expected to think broader than just their own council and to contribute positively to discussion on aspects of local government at all levels. It is an opportunity to see parish councils in a wider context.

Something for the PC to discuss perhaps?"</i>
