

Oxon4Buses (O4B)
PTR meeting, 4 July 2023

Brenda Boardman, Acting Chair

So far – Enhanced Partnership WG

- Survey of the Park and Rides with recommendations
- Emphasis on information about buses
 - in central locations, like Gloucester Green, train stations
 - on the individual poles, what is most useful?
- Discussion about services to Oxford hospitals beginning

Also

- Getting bus stops included in maps of tourist areas / sites, eg Thames Pathway and Ridgeway
 - More links needed – suggestions?

Bus stops and bus shelters

- 3000 bus stops in Oxfordshire, of which
 - 1000 have some shelter
 - 261 have real time information
- What are our priorities:
 - Shelter?
 - Lighting, for security?
 - Real time information, vs smart phones?
- Role of Parish Councils?

Rural bus stops

- What equals a good rural bus stop?
- Send your pictures and views to info@Oxon4Buses.org.uk
- In your parish, what would make your bus stop better? Does everyone agree?
- Could you get some improvements made?

a good, occasional website from the much-respected Roger French:
